CCI ALSACE
EUROMÉTROPOLE

In an increasingly globalised world, businesses need direct and local contact more than ever. Establishment in the heart of town is a definite asset in order to benefit from good accessibility, expertise and all the amenities essential for the well-being of employees.

Mulhouse Alsace Agglomeration, Adira, The Chamber of Commerce and Industry of Alsace Eurometropole and Citivia have designed this guide to help you succeed in your integration in the heart of the Mulhouse Gare TGV Business District. Though not exhaustive, you will find service offers less than 10 min walk from your offices!

Quartier MULHOUSE
d'affaires  TGV

Quartier
d'affaires
MULHOUSE
 TGV

As a Business leader, you need to...

1. Benefit from international and regional accessibility at the heart of the district
2. Welcome clients, partners/organise events, network
3. Have access to diverse employment and training skills
4. Finance projects and find investors
5. Develop your business and attract new clients
6. Be supported at every stage of your development

Your employees want to ...

1. Dine, unwind and go shopping
2. Integrate their family and optimise their daily lives
